Shooter of the year – The Shooter of the Year for 2017-2018 will receive the coveted Belt Buckle award! This prize will be awarded to the shooter of the year based on their consistent performance throughout the season. There will be a point system closely matching the National Ranking system used by USA Archery. Here is the basis for Shooter of the year:

Ranking for Shooter of the year:

Shooters will be awarded points based on how they finish in each tournament. One point for first place, 2 points for second place, 3 for third, etc. Their two best finishes plus their finish in the State championship will determine their total “ranking score” for the season. The shooter with the lowest “ranking score” at the end will be awarded the buckle and title of “shooter of the year”

1. Eligible shooters must participate in a MINIMUM of 4 out of the 6 events during the season
2. Eligible shooters must participate in the Colorado Indoor State Championship which will be used as one of their 3 qualifying finishes
3. Eligible shooters must participate in a minimum of 2 additional tournaments in the same class and division as the state championship. – ie. Ranking scores will only be used from events where the archer is shooting in the division that they shot during the championship
4. Archers who compete in all 6 tournaments during the season will receive a bonus of -1 point.
5. Any division ending in a tied ranking score at the end of the season will be resolved through a one arrow shoot-off at the end of the State Championship

State Champion Title: State Champion will be the winner of the tournament in March (The Colorado JOAD State Championship). The Custom USA Archery State championship medals will be given out at this event.
